

WHY R.I.?

Christian Religious Instruction is the only place in school curriculum time where your child can explore spirituality and be informed about the basics of the Christian faith and the Bible. Local Churches come together to offer this program from a non-denominational perspective. Optional 30 minute classes are offered each week in every Rockhampton State Primary School. You will need to inform the Principal in writing if you want your child to be enrolled in Christian RI.

Christian Religious Instruction:

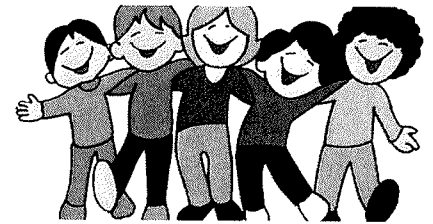

- Aims to give students hope, love and a sense of value
- Has been part of the Public Education system for over 110 years
- In Rockhampton 100% of our State Primary Schools have RI.
- Assists students in becoming confident and creative individuals. It helps build a sense of self-worth, self-awareness and personal identity, assisting them to manage their emotional, mental, spiritual and physical wellbeing.
- They explore age appropriate Bible stories, the life of Jesus and discover for themselves the relevance of the Christian faith.
- Assists students to question, explore and discover the Christian faith for themselves.

If you would like your child to attend a weekly lesson please tick **YES** and nominate for :

Christian RI on your enrolment in the Religious Instruction section.

Christian Religious Instructors are people of Christian faith and belong to local Christian churches. All Instructors meet State child protection requirements and undertake Department of Education annual mandatory training.
